GETTING TO START/FINISH

TRAVEL TIPS

RACE DAY START TIME 7:30 AM

The Love Run Philly will begin on the Ben Franklin Parkway (around 22nd St) and end at the iconic (and beautiful might we add) Museum of Art; right at the foot of the famous "Rocky" steps where you and loved ones can capture your unforgettable finish.

Center City is compact and very walk-able. If you don't feel like walking (or running) to the start, we would suggest public transportation.

Philadelphia's mass transit system, SEPTA, offers two subway lines, regional rail service to and from the surrounding suburbs, and bus service throughout the city. Please check with SEPTA at (215) 580-7800 for information about schedules, drop-off and pick-up locations, and route detours. Don't forget to get information on SEPTA's unlimited access one-day pass - you wouldn't want to miss any part of our great City while your here.

To catch a cab in Center City, just head for the nearest street corner and flag one down. Or call the City Cab Company (215) 492-6500 or Quaker City Cab (215) 726-6000.

And of course there is always UBER OR LYFT.

If you see something suspicious (e.g., an unattended backpack in a public place or someone trying to break into a restricted area) taking place then report that behavior or activity to local law enforcement personnel who will be on hand throughout the event. The Philadelphia Fire Department will have a 911 Command Center located on the East side of Eakins Oval.

MEDICAL AND ATHLETE SAFETY

Please know that athlete safety is our priority and for that reason we ask that all runners and spectators are aware of the following:

1. Only athletes are permitted in the medical tent. Sorry no exceptions.
2. HIPPA laws prevent our medical team from sharing any information about an athlete.
3. Please make sure your friends and family know your bib number, as this is the only way that EMS can verify if your runner is a patient.
4. Make sure your emergency contact information on the back of your bib is up to date.

FREQUENTLY ASKED ?

Where is Race Start?

The start line is on **Ben Franklin Parkway at 22nd St.** (Not in front of the Art Museum or along Eakin's Oval). Both the 7K and Half start here at 7:30. You must line up in your proper corral according to the color indicated by your BIB and each BIB color will start in separate waves.

Where is the best place for spectators?

Eakins Oval/Along the Parkway - You'll be able to see your runner start the race come back at Mile 4 then Finish in front of the Art Museum.

Can I get a refund/deferral?

[See refund policy here](#)

May I give my bib to someone else to run in my place?

No this is not permitted. It is very unsafe to allow non-registered persons to race under your bib. In the event of an emergency we would have no record of this person or emergency contact information. It also jeopardizes those paid runners from injury by a non insured runner.

How many people are running?

About 12,000 have registered.

Is the Love Run walker-friendly?

Yes. The Love Run Half Marathon is open to all competitors, with few restrictions. Please note that all participants must maintain a 16-minute per mile pace throughout the course.

I do not have a bib number. Can I run the race as an unofficial entrant?

No. Race amenities provided along the course, including medical assistance, fluid replenishment stations and traffic safety concerns are based on the exact number of officially-entered competitors. Any addition to this number by way of unregistered participants will adversely affect the races. Unregistered participants will be removed from the course.

FREQUENTLY ASKED ?

What are the locations for the Port-a-johns?

Port-a-johns are located at the start/finish line area. Additionally, Port-a-johns will be located at every water stop on the course.

What are the types and where are the locations for the replacement fluids?

All hydration stations will have water. Nuun energy drink and water will be at all water stops except WS1. Honey Stinger will be at WS 4.

Can I use a baby jogger, roller blades, scooter or bike?

No. These items are all strictly prohibited from the race course.

Are pets allowed to run with me on the course?

No. Please note that it is very dangerous to have animals on the course and we ask that you do not under any circumstance run with them for the safety of all runners.

How long will the finish festival be open for the Half Marathon?

The finish area will be until 1:00 pm.

Can I use headphones or earbuds?

The rule prohibiting headphones is no longer enforced by USATF; however, the Love Run Half Marathon recommends you do not wear them during the race. Runners' ability to hear and react to situations and directions given by race officials is very important. Your safety is always our topmost concern.
